

Looyenga Residence

BUILT 2011

This magnificent "Rustic Chic" family home on Old Mission Peninsula offers 5 bedrooms, 4 full baths, two half-baths, home office and upper-level bonus room in 5700 square feet. Rough-sawn pine beams, hand-scraped white oak flooring, stone fireplace, covered porch with glass railed deck and luxurious master suite with steam shower highlight the main level. Endless entertainment options are found in the lower level with a home theatre, wet bar, billiard room and indoor basketball court. Stamped concrete patios, composite wood siding and an insulated concrete foundation provide beauty, ease of maintenance as well as energy efficiency to this beautiful home.
